Dear Mr Machan

REFERTO.

Consultation on the implementation of Policing and Community Safety Partnerships (PCSPs)

As you are aware, Policing and Community Safety Partnerships (or PCSPs) are new statutory bodies which will be established under the Justice Act (Northern Ireland) 2011.

The purpose of this consultation (enclosed) is to seek views on the following aspects of the new partnerships:

- the practical operation of PCSPs, including the Policing Committee;
- the issue of designating bodies to partnerships; and
- a draft code of practice for the appointment of independent members to PCSPs.

As you are a key stakeholder in the new partnerships, and statutory consultees with regard to the code of practice for the appointment of independent members, your views would be particularly welcome.

The closing date for receipt of responses is Tuesday 13 September 2011. If you have any queries regarding the consultation, please contact me using the details above.

Joanne Majee.
