**Expressions Of Interest For Land Available
In The NWRWMG Area For Residual Waste Treatment Facilities**

Closing Date: 4.00 pm on Friday 20th March 2009

The North West Region Waste Management Group is carrying out a site selection process in order to obtain potential suitable sites for the development of residual waste infrastructure in the North West region.

The North West Region Waste Management Group (NWRWMG) comprises the following seven District Councils:

- Ballymoney Borough Council
- Coleraine Borough Council
- Derry City Council
- Limavady Borough Council
- Magherafelt District Council
- Moyle District Council
- Strabane District Council

The NWRWMG is now seeking Expressions of Interest for available land for residual waste treatment facilities in the NWRWMG. Interested parties with available land, of approximately between 3 to 5 hectares, who wish their land to be considered in the site selection process are invited to supply details of such including: a site location map and details of the site area.

The information should be submitted either by, fax or in writing to the contact details given below and should be received no later than 4.00 pm on Friday 20th March 2009.

An Expressions of Interest Information Pack is available on request by either email, fax or in writing to the NWRWMG at the contact details below.
